and complete this
activity online.

Articles are selected for credit designation on the basis of the CME Institute's assessment of the needs of readers of *The Primary Care Companion*, with the purpose of providing readers with a curriculum of CME articles on a variety of topics throughout each volume. There are no prerequisites for participation in this CME activity.

To obtain credit, please study the designated article and complete the Posttest and Registration Form.

CME Objective

After studying the article by Dannon et al., you should be able to:

- Screen patients for pathological gambling and offer appropriate treatment to those who warrant the diagnosis.

Accreditation Statement

The CME Institute of Physicians Postgraduate Press, Inc. is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The CME Institute of Physicians Postgraduate Press, Inc. designates this educational activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Date of Original Release/Review

This educational activity is eligible for AMA PRA Category 1 Credit through December 31, 2008. The latest review of this material was November 2006.

This pretest is designed to facilitate your study of the material.

- 1. Most pathological gamblers suffer from other psychiatric disorders, notably mood, anxiety, personality, and substance use disorders.**
 - a. True
 - b. False

Pretest answer and Posttest on page 391.
