Copyright/Financial Disclosure

The Primary Care Companion requires the express transfer of copyright to Physicians Postgraduate Press, Inc., so that the author(s) and Physicians Postgraduate Press, Inc., are protected from misuse of copyrighted material. Each author must sign and submit the required "Authorship Statement, Copyright Transfer, Financial Disclosure, and Acknowledgment Permission" form, available at www.psychiatrist.com/pcc/PCCinfo.htm.

Permissions Requests

All editorial material published in *The Primary Care Companion* is the property of Physicians Postgraduate Press, Inc., unless specifically stated.

1. Requests for permission to publish may be submitted by regular mail, fax, or e-mail. Please include full name, address, phone number, fax number, and e-mail address.
2. Send requests to:
Physicians Postgraduate Press, Inc. fax: (920) 457-0501
Attn: Permissions Editor e-mail: permissions@psychiatrist.com
3175 Lenox Park Blvd., Suite 409
Memphis, TN 38115
3. Permission will not be granted until the article has been published in *The Primary Care Companion*.
4. Permission is not granted to place the full text of *The Primary Care Companion* articles on other Web sites.

Information Required for a Permissions Request

1. Requestor's Information:
 - Person's name, title, telephone, fax, and e-mail (if available)
 - Company's name and postal address
2. Article Information:
 - Article title
 - First bylined author
 - Volume number and issue dates
 - Page range of article
 - The copyrighted item to be used from the article, i.e., the specific chart, table, figure, graph, or other illustration, abstract, quote, or full article
3. Intended Use of the Requested Item:
 - Title of the work in which the item is to appear
 - Author/editor/compiler
 - Publisher, with full address
 - Edition number
 - Publication year
 - Approximate press run of work
 - Form of reproduction (print, online, language)
 - Sponsorship, funding, or retail price (if a book)
 - Intended audience(s)

Embargo

Material published in this journal is embargoed until the 15th of the month of issue. Contact PCCembargo@psychiatrist.com.

Advertising

Principles

Physicians Postgraduate Press, Inc., adheres to the highest ethical standards when interspersing advertisements throughout the journal: (1) placement is held in the strictest confidence; (2) ads on a specific drug or topic are not placed immediately adjacent to editorial material of the same; (3) for non-premium positions, ads are rotated throughout the book from issue to issue.

Contacts:

- For print ads, send an e-mail to journalads@psychiatrist.com.
- For Classified or Conference ads, either in print format or through the journal's Web site, send an e-mail to journalads@psychiatrist.com.
- For online ads posted either on the journal's Web site or in an E-Lert, send an e-mail to webads@psychiatrist.com.

Rate Sheets

Available online through the journal's home page at www.psychiatrist.com/pcc under "Information for Advertisers."

Disclaimer

Acceptance of any and all advertising in this publication, or any other material published by Physicians Postgraduate Press, Inc., does not imply endorsement by Physicians Postgraduate Press, Inc.

is clearly specified. PRETEST AND OBJECTIVES

To receive your credit certificate immediately for free—

Go to
www.PSYCHIATRIST.com
and complete this activity online.

Articles are selected for credit designation on the basis of the CME Institute's assessment of the needs of readers of *The Primary Care Companion*, with the purpose of providing readers with a curriculum of CME articles on a variety of topics throughout each volume. There are no prerequisites for participation in this CME activity.

To obtain credit, please study the designated article and complete the Posttest and Registration Form.

CME Objective

After studying the article by Stang et al., you should be able to:

- Recognize clinical features of bipolar disorder and the impact of the disorder on patients' work and social lives.

Accreditation Statement

The CME Institute of Physicians Postgraduate Press, Inc., is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The CME Institute of Physicians Postgraduate Press, Inc., designates this educational activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Date of Original Release/Review

This educational activity is eligible for AMA PRA Category 1 Credit through February 28, 2009. The latest review of this material was January 2007.

This pretest is designed to facilitate your study of the material.

- 1. Research has suggested that patients screening positive for bipolar disorder tended to be much less likely to be married and less likely to be employed than those who screened negative, and almost two thirds of those who screened positive had never received a diagnosis of bipolar disorder.**
 - a. True
 - b. False

For Pretest answers and Posttest, see pages 81–82.
