Permissions Requests

All editorial material published in *The Primary Care Companion* is the property of Physicians Postgraduate Press, Inc., unless specifically stated.

1. Requests for permission to publish may be submitted by regular mail, fax, or e-mail. Please include full name, address, phone number, fax number, and e-mail address.
2. Send requests to:
Physicians Postgraduate Press, Inc. fax: (920) 457-0501
Attn: Permissions Editor e-mail: permissions@psychiatrist.com
850 Ridge Lake Blvd., Suite 300
Memphis, TN 38120
3. Permission will not be granted until the article has been published in *The Primary Care Companion*.
4. Permission is not granted to place the full text of *The Primary Care Companion* articles on other Web sites.

Information Required for a Permissions Request

1. Requestor's Information:
 - Person's name, title, telephone, fax, and e-mail (if available)
 - Company's name and postal address
2. Article Information:
 - Article title
 - First bylined author
 - Volume number and issue dates
 - Page range of article
 - The copyrighted item to be used from the article, i.e., the specific chart, table, figure, graph, or other illustration, abstract, quote, or full article
3. Intended Use of the Requested Item:
 - Title of the work in which the item is to appear
 - Author/editor/compiler
 - Publisher, with full address
 - Edition number
 - Publication year
 - Approximate press run of work
 - Form of reproduction (print, online, language)
 - Sponsorship, funding, or retail price (if a book)
 - Intended audience(s)

Embargo

Material published in this journal is embargoed until the 15th of the month of issue. Contact PCCembargo@psychiatrist.com.

Advertising

Principles

Physicians Postgraduate Press, Inc., adheres to the highest ethical standards when interspersing advertisements throughout the journal: (1) placement is held in the strictest confidence; (2) ads on a specific drug or topic are not placed immediately adjacent to editorial material of the same; (3) for non-premium positions, ads are rotated throughout the book from issue to issue.

Contacts:

- For print ads, send an e-mail to journalads@psychiatrist.com.
- For Classified or Conference ads, either in print format or through the journal's Web site, send an e-mail to journalads@psychiatrist.com.
- For online ads posted either on the journal's Web site or in an E-Lert, send an e-mail to webads@psychiatrist.com.

Rate Sheets

Available online through the journal's home page at www.psychiatrist.com/pcc under "Information for Advertisers."

Disclaimer

Acceptance of any and all advertising in this publication, or any other material published by Physicians Postgraduate Press, Inc., does not imply endorsement by Physicians Postgraduate Press, Inc.

INFORMATION FOR AUTHORS

see www.PrimaryCareCompanion.com for information

visit our Web site at
www.PrimaryCareCompanion.com

Articles are selected for credit designation on the basis of the CME Institute's assessment of the needs of readers of *The Primary Care Companion*, with the purpose of providing readers with a curriculum of CME articles on a variety of topics throughout each volume. There are no prerequisites for participation in this CME activity.

To obtain credit, please study the designated article and complete the Posttest and Registration Form.

CME Objective

After studying the ACADEMIC HIGHLIGHTS, you should be able to:

- Understand the importance of correct initial diagnosis and treatment of bipolar patients in urgent situations and appropriate maintenance therapy of stabilized bipolar disorder.

Accreditation Statement

The CME Institute of Physicians Postgraduate Press, Inc., is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The CME Institute of Physicians Postgraduate Press, Inc., designates this educational activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Date of Original Release/Review

This educational activity is eligible for AMA PRA Category 1 Credit through October 31, 2009. The latest review of this material was July 2007.

This pretest is designed to facilitate your study of the material.

1. The father of modern psychiatry, Emil Kraepelin, characterized bipolar disorder as having a:

- a. Prolonged course, with relapse being the rule rather than the exception
- b. Short-lived course that can be resolved quickly with treatment
- c. Prolonged course, with relapse being the exception
- d. Short-lived course that requires no treatment

For Pretest answer and Posttest, see pages 404–405.

To receive your credit certificate immediately for free—
Go to www.PSYCHIATRIST.com and
complete this activity online.
