THE PRIMARY CARE COMPANION TO THE JOURNAL OF CLINICAL PSYCHIATRY

VOLUME 9

2007

NUMBER 6

Mission Statement

Our primary mission is to provide lifelong learning for the physician through evidence-based, peer-reviewed scientific information about the diagnosis and treatment of behavioral health and neuropsychiatric disorders.

General

The Primary Care Companion to The Journal of Clinical Psychiatry (ISSN 1523-5998) is published 6 times per volume year by Physicians Postgraduate Press, Inc., P.O. Box 752870, Memphis, TN 38175-2870, and is the official publication of The Association of Medicine and Psychiatry. POSTMASTER: Send address changes to Circulation Department, Physicians Postgraduate Press, Inc., P.O. Box 752870, Memphis, TN 38175-2870.

Editorial

The Primary Care Companion phone: 901-273-2707
P.O. Box 752870 e-mail: PCCeditorial@psychiatrist.com
Memphis, TN 38175-2870

Manuscript Submission

All manuscript types and letters to the editor should be submitted electronically at www.psychiatrist.com/authors/esubmissions.htm.

Book Reviews

Press release agents and physicians interested in reviewing books should contact the Book Review Editor at bookreviewsppcc@psychiatrist.com.

Instructions for Authors

Available at www.psychiatrist.com/pcc/PCCinfo.htm.

Indexing

The Primary Care Companion to The Journal of Clinical Psychiatry is indexed by the U.S. National Library of Medicine (NLM) through PubMed Central, NLM's full-text digital archive of biomedical and life sciences journal literature.

Permissions Requests

All editorial material published in *The Primary Care Companion* is the property of Physicians Postgraduate Press, Inc., unless specifically stated.

1. Requests for permission to publish may be submitted by regular mail, fax, or e-mail. Please include full name, address, phone number, fax number, and e-mail address.
2. Send requests to:
Physicians Postgraduate Press, Inc. fax: (920) 457-0501
Attn: Permissions Editor e-mail: permissions@psychiatrist.com
850 Ridge Lake Blvd., Suite 300
Memphis, TN 38120
3. Permission will not be granted until the article has been published in *The Primary Care Companion*.
4. Permission is not granted to place the full text of *The Primary Care Companion* articles on other Web sites.

Information Required for a Permissions Request

1. Requestor's Information:
 - Person's name, title, telephone, fax, and e-mail (if available)
 - Company's name and postal address
2. Article Information:
 - Article title
 - First bylined author
 - Volume number and issue dates
 - Page range of article
 - The copyrighted item to be used from the article, i.e., the specific chart, table, figure, graph, or other illustration, abstract, quote, or full article
3. Intended Use of the Requested Item:
 - Title of the work in which the item is to appear
 - Author/editor/compiler
 - Publisher, with full address
 - Edition number
 - Publication year
 - Approximate press run of work
 - Form of reproduction (print, online, language)
 - Sponsorship, funding, or retail price (if a book)
 - Intended audience(s)

Embargo

Material published in this journal is embargoed until the 15th of the month of issue. Contact PCCembargo@psychiatrist.com.

Advertising

Principles

Physicians Postgraduate Press, Inc., adheres to the highest ethical standards when interspersing advertisements throughout the journal: (1) placement is held in the strictest confidence; (2) ads on a specific drug or topic are not placed immediately adjacent to editorial material of the same; (3) for non-premium positions, ads are rotated throughout the book from issue to issue.

Contacts:

- For print ads, send an e-mail to journalads@psychiatrist.com.
- For Classified or Conference ads, either in print format or through the journal's Web site, send an e-mail to journalads@psychiatrist.com.
- For online ads posted either on the journal's Web site or in an E-Lert, send an e-mail to webads@psychiatrist.com.

Rate Sheets

Available online through the journal's home page at www.psychiatrist.com/pcc under "Information for Advertisers."

Disclaimer

Acceptance of any and all advertising in this publication, or any other material published by Physicians Postgraduate Press, Inc., does not imply endorsement by Physicians Postgraduate Press, Inc.

Articles are selected for credit designation on the basis of the CME Institute's assessment of the needs of readers of *The Primary Care Companion*, with the purpose of providing readers with a curriculum of CME articles on a variety of topics throughout each volume. There are no prerequisites for participation in this CME activity. To obtain credit, please study the designated article and complete the Posttest and Registration Form.

CME Objective

After studying the ACADEMIC HIGHLIGHTS, you should be able to:

- Apply information regarding the pharmacologic profiles of different antipsychotics to individualize treatment and achieve best outcomes for patients with serious mental illness.

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the CME Institute of Physicians Postgraduate Press, Inc., and Comprehensive NeuroScience, Inc. The CME Institute of Physicians Postgraduate Press, Inc., is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation

The CME Institute of Physicians Postgraduate Press, Inc., designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Date of Original Release/Review

This educational activity is eligible for AMA PRA Category 1 Credit through December 31, 2009. The latest review of this material was November 2007.

This pretest is designed to facilitate your study of the material.

1. Primary care physicians are most likely to need accurate and up-to-date information on antipsychotic medications when:

- Treating a patient who is receiving an antipsychotic medication and has 1 or more medical conditions (e.g., diabetes, dyslipidemia, or cardiovascular disease)
- Providing follow-up care for a patient with a serious mental illness in collaboration with a psychiatrist
- Both a and b
- None of the above

For Pretest answer and Posttest, see pages 483–484.

To receive your credit certificate immediately for free—
Go to www.PSYCHIATRIST.com and
complete this activity online.
