Correction.

In the article “Treating Prolonged Grief Disorder: A 2-Year Follow-Up of a Randomized Controlled Trial” by Richard A. Bryant, PhD, and colleagues, published in the November/December 2017 issue (*J Clin Psychiatry* 2017;78[9]:1363–1368), the graphics portions in the 2 figures had been transposed. Figure 1 has been corrected to display the Participant Flowchart, and Figure 2 now displays the Mean Estimates of Inventory of Complicated Grief Scores. The online article at PSYCHIATRIST.COM has been corrected. The staff regret the error.
