MISSION STATEMENT of Physicians Postgraduate Press, Inc.

Our primary mission is to provide lifelong learning for clinicians through evidence-based, peer-reviewed scientific information about the diagnosis and treatment of behavioral health and neuropsychiatric disorders.

GENERAL

The Primary Care Companion for CNS Disorders (PCC) (online ISSN 2155-7780; print ISSN 2155-7772) is an online journal published by Physicians Postgraduate Press, Inc. (PPP), PO Box 752870, Memphis, TN 38175-2870.

EDITORIAL

Manuscript Submission

All manuscript types and letters to the editor should be submitted electronically at www.psychiatrist.com/information-for-authors-pcc.

The Primary Care Companion email: PCCeditorial@psychiatrist.com
PO Box 752870
Memphis, TN 38175-2870, USA

INFORMATION FOR AUTHORS

Available at www.psychiatrist.com/information-for-authors-pcc.

INDEXING

PCC is indexed in MEDLINE/PubMed and by all major indexing services.

COPYRIGHT/FINANCIAL DISCLOSURE

PCC requires the express transfer of copyright to PPP so that the author(s) and PPP are protected from misuse of copyrighted material. Each author must sign and submit the required Author Form pertaining to authorship, copyright transfer, financial disclosure, and acknowledgment permission available at www.psychiatrist.com/PCC/documents/pccinfoform.pdf. (Exceptions will be made for articles for which their funders or institutions require open access and for works created by federal employees in the course of their employment.)

ADVERTISING

Principles:

Online advertising appears in multiple locations throughout Psychiatrist.com. Ads rotate, appearing randomly within the site's pages. All advertising is clearly labeled as such.

Contacts:

- For online ads posted either on the journal's website or in an email, email ads@psychiatrist.com.
- For customized outreach and distribution packages, email custompublications@psychiatrist.com.

Electronic Advertising Specifications:

Available online at Psychiatrist.com/Advertisers.

Disclaimer:

Acceptance and placement of any and all advertising for this publication, Psychiatrist.com, or any other material published by PPP does not imply endorsement by PPP.

EMBARGO

Articles are embargoed until they are published online at Psychiatrist.com.

Contact PCCembargo@psychiatrist.com.

CIRCULATION

Article Copies and Back Issues

Single copies of back issues through Volume 11, Issue 4, 2009, can be purchased by contacting our Circulation Department at orders@psychiatrist.com.

Individual articles can be purchased through our website Psychiatrist.com.

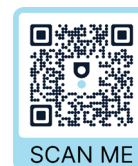

Multiple copies of articles and reprints may be purchased by contacting our Reprints Editor at mhunsucker@psychiatrist.com.

PERMISSION, REPRINT, AND EPRINT REQUESTS

All editorial material published in the journal is the property of PPP unless specifically stated.

- Permission will not be granted until the article has been published in the journal.
- Permission is not granted to re-use the full text of journal articles, unless the article copyright states it is owned by the author(s) (open access).

For specific information about re-use of material published in PPP (eg, reprints, permissions, author photocopies) or questions about how free access and open access articles can be re-used, go to Psychiatrist.com/reprints-and-permissions or scan the QR code:

If you need further information, contact the Permissions Editor at mhunsucker@psychiatrist.com.

DISCLAIMER

This journal is owned and published by Physicians Postgraduate Press, Inc., PO Box 752870, Memphis, TN 38175-2870. All materials published in the journal represent the opinions of the authors and do not necessarily reflect the official policy or opinions of PPP or the institution with which the author is affiliated, unless this is clearly specified. PPP disclaims any liability to any party for the accuracy, completeness, or availability of any and all PPP publications and other material, or for any damages arising out of the use or nonuse of this publication, and any and all PPP publications (and other material), and any information contained therein.
